

6 Month Data Analyst Internship

CONDAo811

PLEASE READ CAREFULLY BEFORE CONTINUING.

European Student Placement Agency, Ltd (ESPA UK) is a recruitment agency whose goal is to find high quality internships for European students in the UK. We work closely with our host companies to ensure the positions provide the candidates with a great experience, both professional and personal.

REQUIREMENTS: ESPA vacancies are open to all EU passport holders able to travel to the UK for an educational work placement, without the need for visa documents. You have to be a registered student and/or have Erasmus+ status to be eligible for our internships. Any student who is unsure of their situation should check with their university before applying. Non-EU students can also apply if they are studying in the EU and can get an Erasmus+ grant/status for the entire length of the internship.

BENEFITS: All ESPA's services are **free** for students and alumni. The benefits are:

- 1) Paid Accommodation.
- 2) Paid Utility Bills (electricity, gas, water and council tax) + Internet Access
- 3) Commuter travel to work (accommodation will be found within an acceptable commuting distance from the workplace, if that requires more than a sensible walk then a bus/train ticket will be provided).

This will be sourced and managed on your behalf by ESPA. **These benefits have an approximate value of 700€-1000€ per month (depending on location).**

There is no salary over and above the benefits offered, unless specifically stated.

The Host Company

This research agency specialises in the Insurance and Banking sectors. Over the last 12 years they have performed the art of gathering insight so that organisations can understand their consumers and benchmark themselves against their competitors. This company is a total disrupter in its market with an innovative combination of panel capabilities and price collection in-house.

Their clients include banks, big insurers, brokers, aggregators, regulators and governing bodies. Their pricing insight and data is used by the Office of National Statistics (ONS) for the Retail Price Index and the Financial Conduct Authority (FCA) for monitoring the insurance market.

Not to mention that they have been voted one of the UK's best companies to work for in 2015 and 2016.

Role

The role is to work under supervision of the Foreign Exchange (FX) Programme Lead to plan and execute data analysis projects, ensure accurate technical specifications and to deliver projects to accurate timelines. This is not a programming role.

Location

Bristol, the biggest city of the west of England, is a very young city where the company's team is keen to show you around.

Duration

6 months.

Start date

Flexible.

Languages

Good written and spoken English (B2/C1).

Tasks

- Support the FX Operations Assistant on daily collections and Quality Control (QC) of the data.
- Review the way we QC/display/calculate the data and make recommendations to the FX Programme Lead for better ways this could be done.
- Work with the FX Programme Lead on bespoke client projects.
- Deal with client support by email, phone and in person.
- More general tasks as may be required by the company from time to time.

Personal Skills

- Strong analytical skills.
- Presentation skills.
- Some experience of SQL, Python, Data Analytics and Visualisation tools would be useful.
- **Knowledge of Finance**, particularly Foreign Exchange Regulation, Technology, and programming is beneficial but not required.

How to apply

STEP 1) Please, register with us at <http://www.espauk.com/students/register-with-us>

STEP 2) Please, send an email to apply@espauk.com with the reference code **CONDA0811** attaching your CV as a pdf file. A cover letter is always helpful.
