

## 6 Month Pharmaceutical Analysis Internship

NANPH2605

### The Host Company

This host company are a specialist research organisation focused on the development of inhaled medicines. They utilize bespoke analytical technologies and formulation solutions to progress the development of inhaled products.

### Role

The host company seeks to recruit a motivated and enthusiastic individual to its internship programme for undergraduate and postgraduate students. As an intern you will **conduct scientific research and development related to orally inhaled and nasal drug products**. During the internship, you will work on challenging assignments and **receive the necessary training** and development for a successful and rewarding internship.

### Duration

6 months

### Location

Newport, Gwent is a cathedral and university city in south east Wales. At the 2011 census it is the third largest city in Wales, with an urban population of 306,844. The city forms part of the Cardiff-Newport metropolitan area with a population of 1,097,000. During the 20th century, the docks declined in importance, but Newport has remained an important manufacturing and engineering centre. Newport hosted the Ryder Cup in 2010. The city was the venue of the 2014 NATO Summit.
