Good spoken and written English levels are required (B2 onwards)

Location

Bristol, England

Bristol is the largest city in the South West of England. It has a strong reputation for creativity, digital innovation and social enterprise, and is the home of Oscar-winning Wallace and Gromit and urban artist Banksy. Offering a lively nightlife, bars and restaurants aplenty, musical diversity and many historical sites, in 2017, The Times newspaper voted it 'Best Place to Live in the UK'.

- A degree in Business, Quality or Environmental management or similar
- Knowledge in quality management
- An awareness of the waste industry
- Vision of what could be the waste industry of tomorrow

The Host Company

The host company specialise in waste collection and recycling. Working in collaboration with the communities of Bristol they are committed to getting people to recycle more and throw away less waste. Additionally, they run both of the city's household waste recycling centres and a commercial waste service, offering local businesses tailored, cost effective recycling and waste solutions. Committed 100% to recycling, they employ over 500 staff who make 17 million scheduled collections every year, operate 180 vehicles and collect 140,000 tonnes of waste and recycling per annum, of which they send 53,000 tonnes for composting or recycling. This impressive operation is showing the way for a sustainable future.
