Start date

Flexible within the next three months

Duration

6 months

Languages

Good spoken and written English levels are required (B2 onwards)

Location

Newry, Northern Ireland

Known as the Gateway to the North and dating as far back as 4000BC, Newry sits snugly amidst the natural splendour of the Mourne Mountains and the Ring of Gullion, an area of outstanding natural beauty. Now classed as one of Northern Ireland's newest cities, it offers a heady mix of retro and modern which gives this city a distinct edge. With a bustling atmosphere and beautiful countryside, there will always be things to do in and around Newry.

Are you eligible to participate in the Erasmus+ programme?

Benefits

See website for details of all ESPA benefits. For all internships over 6 months, additional benefits will be paid. Details available at interview.

Role

This is a fantastic opportunity for an energetic, creative, talented Web developer to gain valuable experience with this growing digital marketing agency. Mentored throughout by experienced developers, you will, in collaboration with designers, utilise your skills to assist in the creation of user-friendly web pages for their mainly international clients. If you have ambitions for a career in web development, then this placement could be the ideal launchpad.

Tasks

- Creating landing pages for clients
- Developing templates
- Collaborating with designers to create intuitive user-friendly pages
- Designing for user experience - conducting user research and testing

Desired Skills

- Studying for a technical degree with a specialisation in web development
- Bootstrap
- HTML
- CSS
- WordPress experience
- Excellent written and verbal communication skills
- Positive attitude and a craving for excellence

It would be advantageous to possess some of the following:

- Groovy
- Shopify
- Liquid
- Java
- Interest in computer/console gaming

The Host Company

The host company is a rapidly expanding marketing agency dealing with mainly international companies and offering the complete package to market companies, grow their online presence and increase sales. With a focus on the health and luxury goods sectors their data driven philosophy has proved hugely successful, increasing the sales of one company by over 400% in size since last April while other people in the space have struggled to grow. With knowledgeable staff in all areas of marketing and IT, each with a unique set of specialisations they ensure clients get the best of it all under one roof. This young, forward thinking company is certainly going places.
