## Role

This is a fantastic opportunity for a data enthusiast to work with this leading supplier of digital business platforms. Mentored throughout, you will provide invaluable assistance to the Marketing and Sales teams to validate and update the data within their CRM systems, Marketo and Salesforce. You will also be required to support the sales team with researching for their campaigns and other marketing duties. For the selected candidate this will be a good all-round experience in this exciting, expanding company.

## Tasks

- Manage the two generic email inbox and forward relevant emails to appropriate Sales Development Rep or Privacy team
- Review data in Salesforce for completeness and accuracy
- Work with business stakeholders to correct missing, incomplete or inaccurate data on key fields
- Utilize search engines and prospecting tools to identify missing information
- Utilize features and functionality included within Salesforce to keep data up to date
- Identify processes and procedures to maintain data quality going forward
- Prepare and upload list in the marketing automation platform
- Reporting Activities
- Field Marketing and Global Marketing Support Activities
- Sales Support Activities

## Personal Skills

- Studying for a Business or Marketing degree or similar
- Interested in Data and how it applies to marketing
- Working knowledge of Excel, know key functions such as VLOOKUP
- CRM knowledge a bonus

## The Host Company

This highly successful host company specializes in providing Digital Business platforms to organisations throughout the world. They connect people, content and processes, enabling seamless efficiency, decision making and productivity. This cloud-based product has experienced explosive growth and the company is now doubling their investment to take the business to the next level. There are plenty of opportunities to impress and be part of their success story. ESPA has placed many successful placements with this host.
