Role

Please note, due to the current situation with Covid 19, the successful candidate may be required to work remotely from their home country until the host company deems it safe to join them in the UK. Please check before applying that this is allowed by your university.

We have a great opportunity for a dedicated marketer to work with one of the leaders in the manufacture and supply of high-quality sports nutrition products. Mentored throughout, you will be involved in all aspects of marketing including SEO, content, real-time social media activities and translation, to offer the best customer experience and maximise potential in the Danish marketplace. If you are up for a challenge and a great experience in a fast-moving environment, then apply today.

Tasks

- Manage real-time social media comments and engagements, helping to build communities and deliver a real time, personalised experience to customers
- Translate from English into Danish to ensure commercial, SEO, PPC and Partnership strategies are executed in the Danish market and are on brand and effective
- Give personalised nutrition advice reactively and proactively to customers through various communication methods, such as phone calls, live chat, email, and social media
- Work closely with the wider marketing team to deliver personal and on brand experience to customers
- Work alongside the social media and Influencer Manager to grow the host's community and influencer network in Denmark and the UK
- Highlight areas within the customer experience that would benefit from automation or investment to better customers experience and offer solutions and ideas for consideration

Desired Skills

- Working towards a marketing degree or similar
- Good verbal and written communication skills
- Customer service or sales experience a bonus
- Confident with social media marketing

The Host Company

Established in 2012, from humble beginnings, this innovative host has become one of the market leaders in the manufacture and supply of high-quality sports nutrition products. Selling online, they have now reached over 1 million orders to over 50 different countries and reach an incredible 5 million customers through social media. Ambitious to take on the big players in the market they are seeking like-minded dynamic individuals to play a prominent part in their future success.
