Start date

ASAP

Duration

6 Months

Languages

Good spoken and written English levels are required (B2 onwards)

Location

Nottingham, England

Nottingham is a city steeped in history and folklore. It's best known for the legend of [Robin Hood](#) the famous outlaw who lived in the magnificent [Sherwood Forest](#). Alongside the old architecture is a bustling modern commercial area, with a plethora of shops, eateries, clubs and pubs to enjoy.

Benefits

See website for details of all ESPA benefits. For all internships over 6 months, additional benefits will be paid. Details available at interview.

Role

This is a great opportunity for a candidate interested in developing their skills in web development and design within an e-commerce environment. Mentored throughout, in the Marketing and IT teams, you will assist with crafting and developing premium front-end user experiences and optimising the performance of our magento and wordpress websites. This is a good, solid opportunity to learn and develop within this fast-paced environment.

Tasks

- Crafting premium front-end user experiences
- Optimising the performance of new and existing websites
- Working on industry-leading e-commerce platform Magento Commerce
- Maintaining clean code using current standards
- Operating within a team to make sure we are always moving forward
- Working with multi-million turnover brands and retailers in varied industries in the e-commerce space to deliver high quality customer experiences

Desired Skills

- HTML5, CSS3, JavaScript, JQuery, pre-processors
- An understanding with building interactive front-ends - transitions, animations, data visualisation
- Knowledge of mobile optimisation, debugging techniques, performance budgets & security best practices
- Comfortable using GIT
- Pro-active self-starter with an eagerness to learn and take on new challenges, including keeping up with new technologies
- Good communicator and team player, able to handle a fast-paced environment, working in agile sprints on multiple projects and to tight deadlines
- Excellent problem-solving skills

The Host Company

Established in 1999, this fast growing, independent company is dedicated to bringing unique, scientifically proven new therapies to market and helping to improve quality of life without drugs or medication. These include devices for pain relief, allergies and respiratory conditions. Their products have been featured in prestigious press publications and on television, endorsed by Key Opinion Leaders, approved by some of the most rigorous health authorities around the world and stocked by respected retailers including Harrods and Boots and Lloyds Pharmacies.
