

Pharmacy Internship (MNP0704)

APPLY HERE

**THIS IS A FUNDED, ON-SITE INTERNSHIP
INCLUDING WORK PERMIT!**

Role Description

This is a fantastic opportunity for a passionate and dedicated Masters in Pharmacy student or recent graduate to work within this fast-paced retail environment, with state-of-the-art drug dispensing equipment. Mentored throughout, you will gain vital experiences of a pharmacist's role in a dispensing chemist environment. Patient interaction is the foundation of a community pharmacy, and a typical day will involve giving information to customers and patients, interacting with external healthcare professionals, handling prescriptions and stock control. This is the perfect environment to advance your career, expand your skillset and customer service skills which are essential for working in a community practice. If you want to make a difference to people's lives, add real value to your CV and be a part of a growing chain of pharmacies across Northern Ireland, then apply today!

Tasks

- Dispense prescriptions and assist with impromptu formulations.
- Hand out of all client prescriptions
- Assess customer enquiries and obtain relevant and appropriate assistance.
- Provide help to clients on health issues and seek assistance from a pharmacist, when appropriate
- Work in alignment with Standard Operating Procedures for processes within the pharmacy
- Assist with stock management and ordering processes to ensure appropriate stocks of medicines are kept within the pharmacy, including helping with incoming deliveries.

Desired Skills

- A Master's Degree in Pharmacy
- Excellent communication skills
- Experience in community pharmacy is an advantage.
- Courteous, compassionate, and empathetic personality
- Experience in customer facing role.
- Experience in working as a part of a team and willingness to get involved with tasks.

Application Deadline

24 April 2026

Start Date

Summer 2026

Duration

12 months

Location

Belfast, Northern Ireland

Benefits

- Certificate of sponsorship costs paid for
- A private room in a professional shared house, paid for, including Wi-Fi and utilities costs.
- Monthly payment to cover living expenses.

The Host Company

This family run pharmacy group is at the heart of the local community and conducts over 20,000 face to face consultations per year on a range of medical conditions and helping people with their medicines. They specialise in minor ailments treating over 1000 patients annually in this area alone. They deliver over 10,000 prescriptions per annum to the elderly and housebound and in the last 2 years we have protected over 250 people from seasonal flu with their flu vaccine service. Investing in their people they have the skills and knowledge they need to help people. With 3 stores and plans to grow across Northern Ireland, they have an end-to-end online prescription ordering system, with fully embedded robotic dispensing machines.
